

AROMATHERAPY MASSAGE

Aromatherapy massage is a slow, deep and totally relaxing, therapeutic treatment using essential oils to encourage the body's own innate healing.

With their varying properties, essential oils can help ease physical and psychological conditions by uplifting, relaxing, energizing, invigorating, calming and stimulating mind and body.

The Greek physician and philosopher Hippocrates said, "everyone should have an aromatherapy massage every day" *A WISE MAN INDEED*

Full Body £55.00 (75 mins)
