

BEAUTY FACIAL

Like the Holistic facial but so much more! The face is exfoliated to make the skin smooth and refreshed ready for the hot towel treatment. Next, a nourishing mask to penetrate deep into the skin. This is followed by a facial massage using a combination of oils and essential oils. The oil is then gently removed, and the skin is moisturised. This is a truly luxurious treatment. Not only will your skin look and feel amazing, you will FEEL AMAZING TOO - Relaxed, Refreshed, Rejuvenated.
