

HOT STONE MASSAGE THERAPY

Peruvian Basalt Stones, specially selected for their heat retaining properties and purity are warmed in a temperature regulated heater and once at the correct temperature some are placed upon the body whilst others are used, in conjunction with essential oils, in hands on massage.

As the warmth of the stones cocoon you and the heat permeates through your body you feel your muscles melt and your worries and concerns simply evaporate as you lose yourself in this amazing treatment.

Full Body £50.00 (75 mins)

Back £30.00 (30 mins)

Facial £40.00 (60 mins)
