

NATURAL FACELIFT MASSAGE

This deeply relaxing massage will help you look and feel amazing. The facial muscles are toned by the massage techniques leaving the face looking lifted and rejuvenated. This massage is completely natural, safe and non invasive giving a lift to the skin without the need for expensive surgery or needles.

£35.00 (45 mins)

Whilst we cannot guarantee outcome as lifestyle plays a large part in the condition and appearance of the skin, better results can be achieved if the treatment is carried out on a regular basis.

Course of 6 treatments £185
